Matthew 5:13-16

I recently learned why zebras have stripes. Scientists used to think it was for camouflage, but new research suggests something more interesting: the stripes help zebras blend in with one another. When a predator looks at a herd, the overlapping stripes make it hard to single out one animal. But if a researcher spray-paints a dot on just one zebra, predators lock on it and eventually attack. The lesson? In the wild, blending in is protection. Standing out can be dangerous.

Human beings are not so different. Most of us would rather blend in than stand out, especially when it comes to our faith. We know that giving bold witness to Jesus — through our words, values, or public choices — can make us targets for criticism, isolation, or judgment. That's why Jesus' words in today's Gospel are so challenging: "You are the light of the world. A city set on a mountain cannot be hidden" (Matthew 5:14).

A city on a hill draws attention. It also draws fire. But that's part of the cost of discipleship. Jesus doesn't call us to be tribal or boastful. He calls us to stand in the open with humble confidence, so that people might see our good deeds and glorify our Father in heaven. Today, let's ask for the courage not just to believe in Christ, but to be seen believing in him.

— Father John Muir

MASS SCHEDULE

ASH WEDNESDAY, FEBRUARY 18th

St. Stanislaus: 9:00AM
St. Ann's: 12:05PM

Dear Parishioners of St. Stan's,

As you can readily tell, the replacement of St. Stan's carpeting is well under way! The old carpet has been removed, the old glue has been scraped off, and the floor has been "re-leveled." The new carpeting is in the sacristy-chapel.

Naturally, there has been a "snag" in our project: weather. Due to the nature of the adhesive compound, the building must maintain a minimum temperature of 65 degrees. During our "deep freeze," this is proving to be impossible without driving our heating expenses through the roof. Even running the heater for five hours, I could only get the church up to 58 degrees!

Consequently, we have placed the installation on pause until this deep freeze begins to thaw. I apologize for the inconvenience, for the "messy" appearance of the church, and for making some of our pews "temporary storage spaces." However, I'd rather have the carpet installed properly - within the parameters of the adhesive - than rush through the project and have the adhesive fail. In the end, I'm sure it will be worth the wait!

- Fr. Jason

OLD PALMS?

Collection bins will be located in the rear of our churches. If you have palms from previous Ash Wednesdays that you would like to dispose of, please bring them to Mass and place them in the bins. Those old palms are burnt to ashes to use on Ash Wednesday.

WHO WAS ST. VALENTINE?

The story goes that Valentine was imprisoned for marrying off soldiers of the Roman army. At this time, married soldiers could avoid the call for military service during wartime. Several historians have argued that before Christianity became Rome's official religion, Christians discouraged serving in Rome's armies—so Valentine probably viewed marrying off soldiers as a way to keep men from dying while serving a pagan power. However, if married men avoided the military, military numbers would plummet, something Emperor Claudius II didn't care for. The emperor had Valentine imprisoned for subversiveness. The story goes that Valentine was on good terms with Claudius II until he attempted to persuade him on the validity of Jesus. Growing tired of his attempts, Claudius II sentenced him to death unless he abandoned the faith. He was martyred sometime between 270-280 and he was buried on the Via Flaminia, where a church was built upon them.
