Fourteenth Sunday in Ordinary Time

This weekend, our nation celebrates the 250th anniversary of the signing of the Declaration of Independence. Unlike most nations, the United States was not founded primarily on a shared ethnicity, language, or culture. Instead, our founders built a political community out of diverse peoples united by a shared vision of liberty. That vision echoes something deep in the Christian mystery revealed in today's Gospel.

Jesus returns to his hometown. The people see only what is familiar: the carpenter, the son of Mary, one of their own. As Mark tells us, "They took offense at him. Jesus said, 'A prophet is not without honor except in his native place and among his own kin and in his own house.'" Their narrow vision blinds them. Jesus has come to inaugurate a new communion that transcends geography, bloodlines, and culture. He has come to unite all people in himself.

At its best, America's national unity reflects this possibility, which fully subsists only in the Catholic Church. Our unity is not based on ancestry or tribe, but on a shared commitment to higher ideals. For this reason, we can love our country with gratitude while situating patriotism within the broader horizon of faith.

This weekend, let us thank God for our nation and pray that we also live as citizens of Heaven in Jesus Christ.

— Father John Muir

MARRIAGE ANNIVERSARY CELEBRATION

It has become customary in our Diocese for the Bishop to host a Mass and recognition ceremony for couples celebrating significant milestone wedding anniversaries. This year, due to some logistical difficulties, the Diocese is unable to do so this year. Rather, the Diocese is encouraging each parish to acknowledge these anniversaries. Couples will still be acknowledged with a certificate from the Bishop.

If you are interested in having your anniversary celebrated, please contact the Parish Office. The celebration will take place during a Sunday Mass at a date to be determined and communicated in future bulletin announcements.
